

March 30, 2007

Dear Dave and Jeff,

Thank you very much for the excellent service when you insulated our home. We very much appreciated your prompt and thorough estimate - Much faster than your competitors!

Your technician, Wally, was great! He is personable, professional, and neat. He left our house cleaner than he found it! His "helper" wife Julie was also great.

Thanks again - we'll be recommending you often!

AJ & Nancy McCaskey
